

BRIDGING THE GAP CDC

Meet Stella Williamson!

We're proud to share that Stella Williamson is now the Director of the We Care Pantry. Stella's leadership has helped the pantry continue serving our community.

Second Harvest Mobile Nutrition Unit Visit

We recently hosted the Second Harvest Mobile Nutrition Unit!

The Town of Green Level partnered with us to share nutrition tips, healthy food samples, and free groceries.

New Safe Concert Pad Completed!

This improvement provides a safer and smoother walkway for everyone entering and leaving the building.

We're so proud of this improvement and grateful to everyone who helped make it happen.

GIVING TUESDAY

This year's Giving Tuesday Campaign will help fund stipends for three senior volunteers who continue running the We Care Pantry and Clothing Annex in Mrs. Joyce Warren's absence.

Your donations help us support those who give their time and heart to serve others.

Partner Spotlight: Terminix

A special thank-you to Terminix for providing discounted treatment services to help keep our facilities clean and safe. We appreciate their ongoing support for our community programs!
